

## ➤ Health Appointments

If you have any healthcare appointments in the community, please tell a Recovery Alberta healthcare team member.

If required, your appointment will be rescheduled to a new date.

## ➤ Privacy

Your healthcare records are private. Only Recovery Alberta healthcare team members can see what is in your record. Correctional Officers, Parole Officers, police, and lawyers cannot see your health record.

**Healthcare staff must follow laws that help keep your information safe and private, including:**

- The Health Information Act
- The Freedom of Information Act
- Organizational Policies

## ➤ Health Records

You can ask for copies of your health record using the health services request (HSR).

You may be asked to fill out a form for the Recovery Alberta access and disclosure team.

The Recovery Alberta Access and Disclosure team will provide an answer to your request.

MENTAL HEALTH AND ADDICTION SERVICES

## ➤ Who provides Healthcare

Recovery Alberta provides healthcare in Alberta Provincial Correctional Centres.

The Health services available at each centre may be different

**Please talk to the Recovery Alberta healthcare team if you have some concerns**

## ➤ How do I ask for help from healthcare?

Any health concerns can be told to healthcare by a Health Services Request form (Commonly called “HSR”)

Your HSR will be kept private and is only available to the Recovery Alberta healthcare team.

If you have an emergency health concern, please tell healthcare or an officer right away

Please come see the Recovery Alberta healthcare team when you are asked.

## ➤ Will I get my medications?

Recovery Alberta will review your medication history and talk with you about your medication.

Not all medications are available, the prescriber may change your medication.

Please talk with the Recovery Alberta healthcare team about any medication concerns or fill out an HSR.

## ➤ How do I get my medications?

Medication is provided by the nurse in a medication line or may qualify to take on your own as an “Self-administration medication.”

You will be asked to identify yourself using your name, ORCA number and/or date of birth.

Even if staff recognize you, they must identify you every time they give you medication.

Please talk with Recovery Alberta healthcare staff about how you will take your medications.
